#### **DIRECTOR'S REPORT - March 2023**

#### **Districtwide Update** - Library Director Ann Kling

#### **Highlights**

- On Monday, March 6, Workplace Resources delivered new furniture to the Windsor Severance Library. It took most of the week to assemble and set the furniture in place. By Monday, March 13, the library was ready for patrons to come in and enjoy the furniture and new spaces created in the remodel. While everything was not yet complete, staff and contractors continued to add details that enhance the user experience.
- On Friday, March 10, Public Services Manager, Casey Lansinger-Pierce, IT/Technical Services Manager Beth Gallinger, and Director Ann Kling, along with Owner's Representative, Brooke Kardos, visited two furniture company showrooms in Denver to view furniture for the library in Severance.
- Interviews of Board Candidates were held at a public meeting of the board on Monday, March 6 at an open meeting of the board. An opening on the board was created by the resignation of Cheryl Brown, who was appointed to the Board in the Fall of 2022. Five candidates were interviewed. Kendra Adams was selected. Her appointment was sent to the Boards of the Towns of Windsor and Severance, the Greeley City Council, and the Weld RE4 School Board for ratification.

#### **Opportunities**

- A work session of the Board was held on Thursday, March 23, IT/Tech Services Manager, Beth Gallinger led the board through a Strategic Planning Exercise. The management staff will now compile all of the information gathered from staff and the board and convene a strategic planning committee.
- On Saturday, March 25, Board Members received board training from Sharon Morris and Kieran Hixon from the Colorado State Library.
- The kickoff meeting for Owner, Architect, and Construction meetings on the branch in Severance was held on Tuesday, March 28. It was the first of many OAC meetings that will be held until the branch in Severance is completed.
- Director Kling submitted an application to Senators Hickenlooper's and Bennett's offices for Congressionally Directed Spending funds to assist in funding the library in Severance.

#### Challenges

• Work continues on gathering the final documents needed to submit the final site plan to the Severance Planning Department.

#### Personnel

- On Friday, March 3, in place of an All Staff monthly meeting, all staff who had not previously seen the Administrative Services Building were invited for a tour.
- Early Literacy Librarian Nancy Milliken requested sick leave.

#### Public Services Update - Public Services Manager Casey Lansinger-Pierce

#### Highlights

- The public services team resumed in-library programming in early March after being on hiatus for two months due to the Windsor-Severance Library remodel.
- Our children's department staff specifically Becca Sharp, Nancy Milliken, Trisha Parsons, and Amy McFadden dedicated much of their time in March ensuring our children and teen spaces were in perfect shape after the remodel. They found toys for our early literacy play space -- cleverly called Clearview Campground -- that align with the outdoor/camping theme; they purchased new games for the Stargazer's Station area (for ages 7+); and they decked out the teen video game room with lights and a neon 'Game On' sign. We've been excited to welcome our community into these newly imagined spaces.

#### **Opportunities**

- Amy McFadden hosted her first teen video game night in our new teen video game room. IT
  Assistant, Tyler Mooney, assisted Amy with technical needs and even printed 3D trophies for
  the winners of the tournament. On April 17, we will officially open up video gaming to all
  teens visiting the library. We hope this space is a huge draw for ages 12-18 visiting the library.
- Several children's services team members attended the annual CATS workshop (Children and Teen Services) at Loveland Public Library. This workshop provides our team with hands-on learning opportunities and provides an opportunity for staff to network with children's services professionals from other libraries.
- Several of our children's services staff participated in Tozer Elementary's Read Across America Day. This day -- celebrated annually on Dr. Suess' birthday -- encourages children to read at school throughout the day. We have participated in this event over the last few years, and we love being a part of promoting literacy.
- Jennifer Bradley is currently reaching out to neighboring library districts to inquire about homebound services. We are determining if there is a need in our community and if this is a service we could feasibly offer in the future.
- Our mobile services staff attended a vendor and resource fair at the 55+ Resort (where we also feature a weekly and very popular bookmobile stop). The fair connected seniors with community resources; we promoted library services and the bookmobile schedule, and we signed a few residents up for a library card.

#### Challenges

• With our Early Literacy Librarian out on medical leave, we've found ourselves scrambling to get her many programs and services covered. Our staff, as usual, have been flexible and incredibly helpful with pitching in and helping out. Becca Sharp, Children's Librarian II, has gone above and beyond to cover early literacy efforts.

#### IT & Technical Services Update - IT & Technical Services Manager Beth Gallinger

#### **Highlights**

- The IT team taught 4 one-hour-long Tech Time classes at 55 Resort Apartments. Classes were taught on smartphones, tablets, cybersecurity, and library tech tools. Each IT staff member, Jesse Feavel, Diane Cabrera, Tyler Mooney, and Beth Gallinger, took a topic and joined mobile services to teach a class. Communications Specialist Christine Henschler from the communications department took the session on the 5th week and presented on social media platforms and best practices. We look forward to more partnerships to increase our community involvement!
- All public workstations, including internet and catalog computers, are back in service for patron use. IT staff have worked hard at cable management and getting everything ready for the grand reopening of the Windsor-Severance Library.
- Staff huddle room AV bar installation and Large meeting room AV upgrade have both been completed. Both of these systems are meant for staff and patrons to set up presentations or online meetings with ease. We will spend the month of April assessing these systems for any necessary adjustments, and our AV vendor, Rockfan, will be back to make any changes we need in May.

#### **Opportunities**

- The Discovery layer committee met for the first time and started working on requirements for a discovery tool that will change how patrons and staff search for library materials, events, and online tools. Now that we have defined and agreed upon criteria, we will be demoing three different discovery layers and evaluating them. We have a goal of implementing this tool in 2024.
- We made progress at moving services from an old server at the Windsor Severance Library and are close to decommissioning another old server that is at end of its life. We have one last service to move: our print server, which is planned to be fixed by May 1 in conjunction with our staff computer refresh/updates.

#### Challenges

- We had an internet outage at Ash St, which resulted in taking system-wide functions out.
   We are working on a better backup plan for these types of outages and looking to see how they can be prevented.
- The Weld RE4 school district would like to make changes to how often they send student information and make the process better. We have discovered that there is no agreement in

- place between the two entities and would like one in place so that we can be sure to have policies and procedures to match student data privacy laws. Beth Gallinger will get in touch with Bill Garcia to talk through what needs to be done next.
- The game cubes that maintain inventory and check out video games to patrons have been especially problematic since the remodel. Circulation staff and patrons are very frustrated with the issues and no longer expect the machines to function properly. IT staff have been working with Lat Corp, the game cube vendor, to figure out the next steps and if any replacements need to be made.

#### March 2023 Usage Stats

#### **Key Takeaways:**

- Patron counts are slowly moving back towards normal, though construction still deterred most visitors in March.
- Physical circulation and active borrowers made a huge recovery. With automatic renewals in play again, circulation returned to normal.
- The virtual library remains popular, with a high amount of digital circulations and the highest count of active virtual borrowers ever.

#### **About the Dashboards:**

- Percentages in dark blue boxes represent positive change.
- Percentages in gray boxes represent negative or no change.
- Sparklines are small line graphs without axes. They represent the ups and downs of each metric since January 2019, with the end of the line being the most recent month.

#### **About the Metrics:**

- <u>Patrons Served</u>: This metric counts the number of people who physically visit the library in three possible ways: entering the Windsor-Severance Library building, visiting the Bookmobile, and attending Outreach events.
- <u>Circulation</u>: Circulation includes the checkouts and renewals of all physical items, checkouts and renewals of downloadable and streaming content, and database usage.
- <u>Programs</u>: Program attendance is the combined count of attendees to in-person and virtual programs. This section also includes the total number of virtual and in-person programs, and a count of waitlisted patrons for programs at full capacity.
- <u>Cardholders</u>: Active cardholders had some kind of activity associated with their library account in the past month, including checkouts, renewals, and virtual borrowing. New cardholders are patrons who signed up for a new card in the past month.
- Website Stats: Pageviews represents the number of times a page on the library website was visited.

## **Liaison Reports - April 2023**

#### Town of Windsor, Julie Cline, Town Board

## Windsor Catalytic Converter DIY Theft Prevention Kit - Presented by Windsor Police Department

Saturday, May 13, 2023, 8am-noon, at the Windsor Police Department, 200 N. 11th Street, Windsor, CO. Windsor Residents Only.

Windsor Police are partnering with the Colorado Auto Theft Prevention Authority (CATPA) to host a free Catalytic Converter DIY Theft Prevention Kit giveaway event on Saturday, May 13 (rain or shine), 8am to noon, at the Windsor Police Department.

On the day of the event, be prepared to bring your vehicle registration for each anti-theft kit you are requesting so it can be registered back to your vehicle. The event is a drive-through event, so participants should plan to pull through the police department roundabout to receive their kit. Once home, residents will use the easy-to-follow etching instructions.

This event is FOR WINDSOR RESIDENTS ONLY.

#### Windsorgov Mobile App Launch - Download on the App Store

Once in the app, users will have access to things like Windsor news, utility payments, program registration, and more. This app was created to give users an easy to use experience with access to online services in one place. Residents can search for job opportunities with the town, access agendas and minutes as they are released, and report a concern. Residents can also be notified through the app with important town happenings.

#### **Pool Passes**

Chimney Park Pool passes are half off now through Friday, May 5, 2023. Discounted pricing is \$225 per family of 4, \$35 per child 5 and under, \$57.50 per child ages 6-17, \$65 per person 18 and over, and \$60 per person ages 50 and over. Chimney Park Pool passes will go back to regular pricing Saturday, May 6.

#### **Chimney Park Pool Opening Weekend**

May 27, 2023 - May 28, 2023, at Chimney Park Pool, 421 Chimney Park Dr, Windsor, CO.

#### Spring Clean-Up Event

May 12 & May 13, 2023, 9:00 AM - 3:00 PM at the Windsor Public Services Campus, 922 15th St, Windsor, CO.

Join Windsor Utilities in participating in the 2023 Spring Clean Up event! Windsor Utility customers are invited to attend the event at no additional cost held at the Public Services facility located at

922 N. 15th St. An original voucher is required in order to participate and can be found on the back page of the spring Windsor Matters magazine mailed to all Windsor residents.

#### Mother's Day at Treasure Island

Sunday, May 14, 2023 from 1:30 to 3:30pm at Treasure Island Garden.

Treat Mom to Windsor's beautiful little garden! Come to Treasure Island and enjoy an educational tour around the garden with one of our awesome volunteers. The lovely flowers will bring a smile to her face on her special day!

Re: Approve Increase in Charges for Owner's Representative

Item 5.1: New Business

#### **Background / Discussion**

The Library District contracted with Wember to provide owner's representative services to the library district for the three short term building projects outlined in the district's facilities plan: the renovation of an office building, the remodel of the Windsor Severance Library and the building of a branch library in the Town of Severance. The projects have taken longer to complete than projected due to various factors and more work has been required of the owner's representatives. The owner's representatives have been a benefit to the staff during the remodels and the planning for the branch library.

#### **Budget Considerations**

The funds will come from the Library District's reserve funds.

#### Recommendation(s)

Director Kling and Library Board Treasurer, Ron Dunworth support the increase.

Re: Bookmobile Policy Review

Item 5.2: New Business

#### **Background / Discussion**

The library district is proud to provide library services to our residents via the bookmobile. The bookmobile policy was initially adopted in 2014 and re-affirmed in 2020. No changes have been made.

#### Recommendation(s)

The staff recommend re-affirmation of the bookmobile policy.

Re: Postings, Promotional Materials, Displays and Exhibits Policy Review

Item 5.3: New Business

#### **Background / Discussion**

The Windsor Severance Library has a bulletin board in the front entrance that is available for public postings. The space is limited. This policy makes it clear what items may be posted on the bulletin board and throughout the library. This policy was first adopted in 2014 and revised in 2021.

#### Recommendation(s)

The staff recommend adoption of the revised policy.

**Re:** Security Measures for the Clearview Library District

Item 5.4: New Business

## **Background / Discussion**

In a country where mass shootings are all too common, it is important that public buildings strike a balance between access and safety of staff and patrons. Board Treasurer, Dunworth has investigated security measures and will inform the board of his findings.

Re: Quarterly Update on the Director's Goals

**Item 5.5**: New Business

#### **Background / Discussion**

The Library Board reviews the director's goals quarterly.

#### **Attachments**

Director's 2023 Adopted Goals with Updates

## Clearview Library District Director's Goals - 2023 April 2023 Update

- 1. Renovation of the 3rd St. Library. Work with the Owner's Representative, Architectural Design Firm, Construction Manager at Risk, and the Building Committee to complete the renovation by March, 2023. Completed
- 2. Branch in Severance. Work with the Owner's Representative, Architectural Design Firm, Construction Manager at Risk, the Building Committee, and representatives of the community in Severance to complete the building project by December, 2023. The site plan was approved by the planning commission on Wednesday, April 19 and will appear on the Town Council agenda for May 9.If approved construction will begin before the end of May.
- 3. Strategic Plan, 2023 2025. Work with the Strategic Planning Committee and staff to complete the strategic plan by April, 2023.

  Staff and library board have had input into plans for the future. The next step is to convene a committee to review where the library is and to work on future goals. Work will start in May.
- 4. Coach and support my direct reports, providing clear expectations and meaningful feedback throughout the year. Survey staff to measure results.
- Begin meetings of the Long Range Planning Committee to monitor growth in the district, build relationships and identify opportunities for the future.
   Now that the Library Board has five members and an alternate, the committee will convene and meet regularly.
