DIRECTOR’S REPORT - September 2023

Districtwide Update - Library Director Ann Kling

Highlights
● The annual Windsor Harvest Festival Parade, which was back on Main Street after years of using Walnut Street, occurred on Labor Day, Monday, September 4. Our mascot, Page the Pelican, made its last public appearance. Page has been retired in preparation for our new logo, which will be coming early in 2024. The staff visited with a large number of people over the weekend. See the Public Services report.
● The construction of the branch library in Severance is on schedule. The building walls are up, and the framing inside is taking place. Management staff have met with the furniture vendor to discuss the furniture package. Shelving has been ordered.

Opportunities
● The library district began working with a security consultant to be sure our buildings provide a safe place for patrons and staff and that district policies and procedures concerning security are in place.
● The Strategic Planning Committee wrapped up their work. The plan covers 2024-2025 and will be presented to the Board for approval at the November 30 Board meeting.
● Communications Specialist Christine Henschler and Director Kling have been meeting with Cordelia Anderson and Ken Magas of CAC Consulting to work on naming conventions for branch libraries, a new logo, and enhancing the current branding documents. Cordelia will be releasing a survey in October, as well as visiting the district to conduct focus groups.

Challenges
● Single bats continue to appear sporadically at the Windsor-Severance Library. The trim around the perimeter of the Windsor-Severance Library was caulked in a continuing effort to keep the bats from entering.
● With the much-anticipated spring 2024 opening of the library branch in Severance, the Management staff has been planning for the increase in the library district's operating costs. There are many unknowns at this point, but staff are certain the new library branch will be used heavily based on the interest the public has shown.
● Library supporters, Board members, and staff were present at both Pints with Paul on Wednesday evening, September 13, and Coffee with the Mayor at 11:00 a.m. on Friday, September 15, to discuss the offer from Kroger to purchase the Library District’s Main St. property and to ask the Mayor and Town Staff questions. The discussion at Coffee with the Mayor became very heated toward the end. The Library District received an offer to purchase the district's Main St. property on Tuesday, September 19. The offer was published as part of the board packets for the September 28 meeting of the Board. The discussion of the sale of the property has led to a lot of email correspondence from the public to the board members. Approximately 50% are in favor of keeping the property, and 50% are in
We favor of selling the property. A special meeting of the library board will be held on October 9.

**Personnel**
- The Customer Service Manager position was posted on Library Jobline and Indeed and announced on our social media platforms. The response was very high. Interviews will be held during the last week of October.
- The Customer Service Supervisor position will be posted after filling the Manager position. At that time, we will recruit two supervisors, one for the library branch in Windsor and one for the branch in Severance. In the interim, Customer Service Specialist Kailin Kelley has been appointed as the Acting Customer Service Lead.
- The part-time Children's Services Assistant position was posted, and interviews will be held in October.
- Library staff visited and were given a tour of the LINC library in Greeley for the monthly All Staff Meeting on Friday, September 8. Staff agreed that LINC is beautiful and provides exciting options in programming and spaces for the people of the High Plains Library District.

**Board of Trustees Meeting Highlights - September 2023**
- Due to an anticipated large number of members of the public for the meeting, the meeting was moved to the Windsor Middle School cafeteria. Members of the Windsor Town Board attended the meeting. Members of the public spoke during the public comment period. The speakers were largely in favor of the district maintaining the property.
- Library Director, Ann Kling, announced her retirement effective June 30, 2024.

---

**Public Services Update - Public Services Manager Casey Lansinger-Pierce**

**Highlights**
- We experienced phenomenal engagement through our big fall outreach events: Harvest Festival and Oktoberfest. Our Harvest Festival engagement numbers (meaning anyone who came up to our table or the bookmobile, talked with our staff, and/or interacted with one of our many activities) were up 63% from last year. Overall, we engaged with 3,312 individuals over the course of the weekend. Our engagement at Oktoberfest was up 162% from last year; overall, we engaged with 412 individuals.
- We are happy to see that attendance at teen programs has increased since programs have transitioned to the new teen space. Teen Cooking Club hosted 14 teens in September (up from 11 in August) for a charcuterie board program. We are also seeing consistent numbers (approximately 7-10 teens) for the teen book club - See Yourself in a Book; this program had low attendance pre-remodel and was being watched closely in case there became a need to pivot and offer something different. Additionally, Teen Librarian Amy McFadden hosted 12 National Honor Society students from Windsor Charter Academy for volunteer hours in
September. Students helped with collection maintenance duties, which allowed them to earn community service hours.

**Opportunities**

- Children’s Librarian II Becca Sharp met with nearly every school librarian who works within the Weld RE-4 School District in early September. In her role, our goal is for Becca to be seen as the contact for all school district-related needs. By introducing herself to building librarians, Becca created many new relationships and shared information about our support services for the District.
- Adult Services Librarian Jennifer Bradley re-established the library’s Book Club Kit collection in late September. We offered this circulating collection in the past, but due to low circulation, we removed the collection from circulation as we reassessed. Now that we’ve offered two successful adult book club programs, we are re-introducing this revamped collection. Jennifer’s team is focusing on popular and current titles, such as *Lessons in Chemistry* (which was checked out right after being made available) and *Demon Copperhead* (soon to be added to the collection).
- Our new Skyview School of STEM Bookmobile stop started this month, and we have had great numbers thus far. Our school Bookmobile stops give us the opportunity to bring our collection to a large audience, and it’s an opportunity for students to form a relationship with the library at a young age.

**Challenges**

- Children Services Assistant Diana Hyland resigned from the library district in September. Diana is an incredible programmer and made wonderful connections with the families that frequented her programs. We are still interviewing for her replacement when writing this report, and we hope to have a new Children’s Services Assistant on our team soon. In the meantime, our phenomenal youth services team has stepped up and covered programs so that we could continue to offer all of the programs that Diana was in charge of.
- The Children’s Imagination Room has become quite warm during programs. It seems as though the air conditioning is not functioning well for this space. We are looking into adding a fan to the room and are exploring options with our HVAC contractor. Our Babies and Books storytime continues to have high numbers on the waitlist, and the Children’s Imagination Room does not accommodate the number of families seeking out this program. Babies and Books has been moved into the Pikes Peak Meeting Room to address temperature and space concerns.

**IT & Technical Services Update** - IT & Technical Services Manager Beth Gallinger

**Highlights**

- In September, we worked with the Marmot Library Network to clean up and standardize our
Meraki cloud-managed network. The original setup of our network was cobbled together with settings that made things work but were not done in a standardized manner, so it was difficult to make and understand the implications of the changes. We standardized it and cleaned up all the settings and labels so that it was set up the same way as our new Administrative Services location at Ash Street, and we will continue to use these methods for the new library branch in Severance.

- We completed our Quickbooks migration with minimal downtime and no data loss or other complications. It was a lengthy process since we had to resolve account ownership issues before we could proceed. It was imperative to complete this task as the software was no longer supported because of its end-of-life status.

Opportunities
- We began our Severance opening day collection testing by placing orders, receiving MARC records, and processing items. It took several corrections, but we are getting close to having everything ready to begin ordering for the new branch.
- We are looking at software that would allow patrons to check out experience passes to places like the Discovery Museum in Fort Collins or the Loveland Museum of Art. The software would allow patrons to select a museum and then get a pass to enter, for free, on a particular date. We have been working with several local organizations that would provide Clearview Library District with either free or low-cost annual passes in order to provide this program for our patrons. We are excited to start offering these experience passes in 2024!
- We had Rockfan out to the Windsor-Severance Library to assess the setup in the Pikes Peak meeting room and make the microphone pick up the speech of people in the back of the room. They also looked at adding a digital display to better select the input for the system. They will return in October to make these adjustments.

Challenges
- It has been working on getting digital signage for our meeting room availability outside of each of our rooms. We have had two challenges with this project. First, we don’t have electrical outlets in the areas where the iPads will be mounted, so we need to look at getting outlets moved or battery solutions in place. While the battery option seems simple, it would add to the Customer Service Specialist’s opening and closing duties, which we are trying to avoid. In addition, working with our meeting room reservation software has been challenging because we have needed to make changes with their support, which is often time-consuming.
September 2023 Usage Stats

Key Takeaways:
● Bookmobile and outreach patron counts went up thanks to a well-attended Oktoberfest and Harvest Festival.
● Patron counts at the library building are usually a bit lower in September, after school starts up again.
● EBSCO database usage returned to normal, bringing up the total database usage count.

About the Dashboards:
● Percentages in dark blue boxes represent positive change.
● Percentages in gray boxes represent negative or no change.
● Sparklines are small line graphs without axes. They represent the ups and downs of each metric since January 2019, with the end of the line being the most recent month.

About the Metrics:
● Patrons Served: This metric counts the number of people who physically visit the library in three possible ways: entering the Windsor-Severance Library building, visiting the Bookmobile, and attending Outreach events.
● Circulation: Circulation includes the checkouts and renewals of all physical items, checkouts and renewals of downloadable and streaming content, and database usage.
● Programs: Program attendance is the combined count of attendees to in-person and virtual programs. This section also includes the total number of virtual and in-person programs, and a count of waitlisted patrons for programs at full capacity.
● Cardholders: Active cardholders had some kind of activity associated with their library account in the past month, including checkouts, renewals, and virtual borrowing. New cardholders are patrons who signed up for a new card in the past month.
● Website Stats: Pageviews represents the number of times a page on the library website was visited.

- **Delays Expected During Harmony Rd. Waterline Project - West-facing Harmony Rd.**
  A City of Greeley waterline placement project will affect traffic along Harmony Rd. in Windsor between Weld County Rd. 15 and Latham Pkwy. beginning Monday, Oct. 23, weather permitting.
  Traffic will be limited to one lane in each direction during the project, which is slated to take approximately three weeks to complete. Drivers are asked to use caution when driving through the area.
  While no full closure is planned for Harmony Rd., both Duncroft Dr. and Notley Dr. will be closed at Harmony Rd. for the duration of construction. Residents in the area are encouraged to use Latham Pkwy. to and from the west, and WCR 15 to and from the east.
  The waterline is part of the City of Greeley’s Terry Ranch Waterline Project, which will provide treated drinking water to the North Weld County Water District, the Town of Windsor and the City of Greeley.
  Crews had originally planned to bore underneath Harmony Rd. to avoid traffic impacts in the area. Because of complications with underground conditions, the line will instead need to be installed by burying the line, backfilling and then patching the road.
  To stay up to date with traffic impacts around Windsor, text the keyword Roads to 970-251-7151 or visit windsorgov.com/AlertCenter.

MEMORANDUM

To: Library Board of Trustees
From: Ann Kling, Library Director

Date: October 26, 2023
Re: Offer of Sale of Library Property to the Town of Windsor
Item 4.1: Old Business

Background / Discussion
The Library Board was approached by the Town of Windsor staff in June 2023 to see if the Board would be interested in meeting with a realtor who represented a supermarket interested in purchasing the Library District's property on Main Street. The Board had previously stated that the property was not for sale but would consider offers. The Library Board met in executive session to speak with the realtor. The realtor presented the district with a term sheet in August. The term sheet was made public at the August meeting of the Board. At that time, The Board was advised by legal counsel that the Library District's property could not be sold to a private entity without amending the current Facilities Plan and declaring the property as surplus. The Board voted at the August meeting to not amend the facilities plan. In September, the Town of Windsor presented an offer to the Board to purchase the property. Public comment was received at the September meeting of the Library Board, but no decision was made. A special meeting of the Library Board was held on October 9. At that meeting, the Board directed William Garcia, the District's attorney, to draft an offer to the Town of Windsor, which the Board would consider at the October 26 meeting. The Board will be voting on the offer at the meeting.

I. GRANT OF RIGHT OF FIRST REFUSAL: In consideration of GRANTEE’S sale and conveyance of GRANTEE’S title to the property legally described as Tract I, Greenspire Subdivision, Town of Windsor, County of Weld, State of Colorado (the “Property”) to GRANTOR, and for other good valuable consideration, the receipt and sufficiency of which is hereby acknowledged, GRANTOR hereby agrees to grant to GRANTEE a right of first refusal to acquire the Property owned by GRANTOR, upon the terms and conditions specified herein.

II. EXERCISE OF RIGHT OF FIRST REFUSAL: GRANTOR will not sell the Property, or any part thereof, to any party other than Dillon Companies LLC, a Kansas limited liability corporation, d/b/a King Soopers (the “Exempt Purchaser”) without first offering it to GRANTEE for purchase for the purchase price of $3,010,872, or the price listed in the Purchase and Sale Agreement between GRANTOR and GRANTEE (the “Original PSA”). The right of first refusal granted to GRANTEE shall be honored by GRANTOR and exercised in the following manner:

a. If, at any time, GRANTOR elects to place the fee title interest in the Property for sale to a third-party, or GRANTOR receives a bona fide third-party (excluding the Exempt Purchaser) offer to purchase or otherwise acquire title to the Property, or any part thereof, any contract which may be entered into between GRANTOR and such bona fide purchaser shall specifically provide that the transaction shall be subject to the right of first refusal set forth in this Agreement.

b. In the event that GRANTOR enters into such contract with a bona fide third-party purchaser, GRANTEE shall have the prior right to purchase and acquire title to the Property, or the portion thereof described in such contract, upon the same terms and conditions as provided in the Original PSA.

c. GRANTOR shall submit to GRANTEE a duplicate original of an executed contract with the bona fide purchaser, together with duplicate originals executed by GRANTOR of a contract between GRANTOR and GRANTEE, containing the same terms and conditions as the purchase and sale contract with the third-party bona fide purchaser. If, after the receipt of such documents, GRANTEE shall fail to exercise GRANTEE’S right of first refusal by signing and returning to GRANTOR within 45 days of receipt, a signed copy of a contract with the same terms as provided in the Original PSA, together with the earnest money payment therein provided, if any, GRANTOR shall have the right to conclude the proposed sale and conveyance on the same terms and conditions, and no other, as in the contract with the bona fide third-party purchaser.
d. GRANTEE’S failure to exercise the GRANTEE’S right of first refusal, or GRANTEE’S written disclaimer of such right, shall be deemed a waiver and cancellation of such right of first refusal if the proposed sale and conveyance to the same bona fide third-party purchaser is consummated. GRANTEE’S failure to exercise, or GRANTEE’S disclaimer of, such right with respect to any transfer of less than all of the Property shall not be deemed a waiver of such right with respect to that part of the Property owned by GRANTOR after such transfer.

e. If any offer made by GRANTOR according to the terms and conditions herein stated is rejected or is allowed to expire without acceptance by GRANTEE, GRANTEE agrees, within 10 days after receipt of a written request from GRANTOR, to give to GRANTOR or to any third person GRANTOR shall designate, a written statement properly signed and acknowledged in recordable form that: i) an offer has been made by GRANTOR in accordance with the terms and conditions of this Agreement, together with disclosure of the offering price and the terms and conditions of a proposed sale; ii) said offer has been rejected by GRANTEE or has been allowed to expire; and iii) GRANTOR or any designated third person may rely upon such statement by GRANTEE as evidence of the submission and rejection or expiration of a valid offer made to the GRANTEE pursuant to and in accordance with this Agreement.

f. This right of first refusal shall apply to all transactions involving a conveyance of title to the Property, or any portion thereof, including but not limited to a purchase, an exchange, or any other transfer of an interest in the Property for consideration.

V. GRANT OF CONTINGENT OPTION FOR PURCHASE OF PROPERTY: In the event that the Town or Exempt Purchaser does not commence on-site construction activities for a grocery store anchored commercial complex on the Property within eighteen (18) months of the date the Town acquired the Property from the District, Town hereby grants to the District an exclusive and irrevocable option to purchase fee title to the Property (the “Option”). The Option shall remain in existence and shall constitute a valid encumbrance upon the Property for a term of two (2) years, commencing on the Term Commencement Date (defined below). The Option may be exercised by the District by providing written notice of its intent to exercise the Option no later than midnight, 12:00 a.m., exactly two (2) calendar years from the Term Commencement Date. The “Term Commencement Date” shall be defined as the earlier of i) the District’s receipt of written notice from the Town or Exempt Purchaser that permitting or other pre-construction activities have ceased and construction activities are not anticipated to commence within one (1) calendar year of the date the Town acquired the Property from the District; ii) the District’s receipt of written notice from the Town or Exempt Purchaser that construction is otherwise not feasible and the Town or Exempt Purchaser will no longer proceed to develop the Property as a grocery store anchored commercial complex; or iii) the Town or Exempt Purchaser fails to commence on-site construction activities for a grocery store anchored commercial complex on the Property within one (1) year of the date the Town acquired the Property from the District. Construction activities are defined as the commencement of demolition, excavation, installation of utilities, preparation of foundation
or other physical work on the Property in furtherance of construction of a grocery store anchored commercial complex.

a. **Right of Purchase.** Upon exercise of the Option in accordance with this Agreement, the District shall purchase from the Town, Exempt Purchaser or their successors, and the Town, Exempt Purchaser or their successors shall sell and convey to the District, the Property, free and clear of all encumbrances arising during the Town, Exempt Purchaser or their successor’s period of ownership, and not existing at the time that the Town obtained title from the District.

b. **Purchase Price.** The purchase price for the Property shall be $3,010,872, or the price listed in the Purchase and Sale Agreement between Town and District dated _____________, 2023 (the “Contract”), payable at closing to Seller in the form of “good funds,” as defined by Colorado Law, or governmental check.

c. **Closing.** Closing shall take place within ninety (90) days of the delivery of the District’s notice of intent to exercise the Option, at a time and place acceptable to the parties. Each party shall pay their respective closing costs and expenses. At closing, the District will deliver to the Town, the Exempt Purchaser or their successor the purchase price, as adjusted, and the Town, the Exempt Purchaser or their successor will deliver to the District a good and sufficient special warranty deed conveying fee title to the Property.

d. **Possession.** Possession of the Property will be delivered to the District at closing, free and clear of any and all leases. The Town, Exempt Purchaser or their successor shall be responsible for termination of any and all leases prior to Closing.

e. **Condition of Title at Closing.** In the event that any matters are discovered prior to closing that would adversely impact the merchantability of title, this Option may be terminated by the District by written notice to the Town, Exempt Purchaser or their successor, in addition to any other remedy that may be available to the District law or in equity.

VI. **BINDING EFFECT:** This grant of Right of First Refusal and Option shall extend to and be binding upon GRANTOR, the Exempt Purchaser, their successors and assigns, and all persons hereafter claiming any right, title, or interest in or to the Property under or through GRANTOR.

VII. **NONTRANSFERABILITY:** This Right of First Refusal and Option shall be deemed a right extended solely and exclusively to the District and to no third parties whether or not affiliated with the District. The District shall not convey or assign, in whole or in part, any of its rights associated with this Agreement to any person or third-party without GRANTOR’S prior written consent, which shall not be unreasonably withheld.

VIII. **DEFAULT:** If a party is not in default hereunder and the other party fails or refuses to consummate this Agreement for reasons other than a permitted termination, the party that is not in default may elect one of the following remedies:

a. Terminate this Agreement; or
b. Enforce this Agreement by specific performance, or an action for damages including attorney fees, or, to the extent permitted by law, for both specific performance and damages; the parties agreeing and acknowledging that sole resort to monetary damages or other legal remedies would not adequately compensate the non-defaulting for breach of this Agreement, the subject matter hereof being unique and a proper subject for equitable relief.

IX. COVENANT: The Right of First Refusal and the Option shall be covenants that run with the land until terminated under terms of this Agreement.

X. NOTICES: All notices given hereunder shall be in writing and delivered or transmitted by U.S. mail, first class, postage prepaid,

XII. RECORDATION: This Agreement shall be recorded in the office of the Weld County Clerk and Recorder.

XIII. FURTHER ACTS: GRANTOR and GRANTEE agree to perform or cause to be performed such further acts as may be reasonably necessary to consummate the transaction contemplated hereby.

XVI. AMENDMENT AND MODIFICATION; WAIVER: No amendment to or modification of this Agreement is effective unless it is in writing and signed by an authorized representative of each party. No waiver by any party of any of the provisions hereof shall be effective unless explicitly set forth in writing and signed by the party so waiving. Except as otherwise set forth in this Agreement, no failure to exercise, or delay in exercising, any rights, remedy, power or privilege arising from this Agreement shall operate or be construed as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege.

XVII. SAVINGS CLAUSE: If any part, term, or provision of this Agreement is held by the courts to be illegal or otherwise unenforceable, such illegality or un-enforceability will not affect the validity of any other part, term, or provision, and the rights of the parties will be construed as if the part, term, or provision was never part of this Agreement.

XVIII. COUNTERPARTS: This Agreement may be executed by the parties in counterparts, each of which shall be deemed to be an original and all of which, when taken together, shall constitute one and the same Agreement. Chad will be evaluating the Severance project, the Administrative Services building, the Windsor library, and the Bookmobile. Ron reported attending a meeting with Chad. **New Business**
- Discussion, Town Proposal for the Main St. Property - Jeromey Balderrama, Board President (Discussion/Potential Action)
  o President Balderrama welcomed the Town of Windsor board members to address the library board. Town Manager Shane Hale and Mayor Pro Tem Barry Wilson addressed the board. The library board asked questions of them, and the Town of Windsor board members were present.
  o President Balderrama thanked everyone who has reached out to the library board and staff in regard to the Library District Main St. property.
  o Public comment opened at 6:28 p.m. and closed at 6:59 p.m. At this time, Jeromey asked if the Town of Windsor board members had further comments; they did not. The library board had follow-up questions that were addressed by Shane Hale.
  o Public comment and discussion ended at 7:00 p.m., and President Balderrama declared a recess until 7:05 p.m.
  o President Balderrama called the meeting to order at 7:07 p.m., and all library board members were present. Discussion was held amongst the library board members. Kendra noted that she would like to hear more from Windsor Village and requested for a meeting with them before an Executive Session is held.
o Motion by Ron Dunworth, second by Cole Gerstner, to table the discussion and move it into an Executive Session at a future meeting; motion passed unanimously.

o President Balderrama thanked everyone for their time and appreciates everyone for attending the meeting.

● Executive Recruiter - Rochelle Brotsky, Cole Gerstner, Board Personnel Committee (Action)
  o Cole reported receiving copies of the proposals from June Garcia LLC and from Bradberry Miller Associates. He stated that both companies specialize in recruiting managerial library staff. Cole reported reviewing the proposals and submitting questions to the companies. He reviewed the references and costs of each proposal. Rochelle added that she would like to sit down and talk further about the two proposals. Cole suggested sharing the information with the board. Cole noted that Director Kling's contract ends on 12/31/2023, so the board must extend her contract to 6/30/2024.
  o Jeromey stated that he had asked Director Kling to reach out to get these proposals, having known of Director Kling's retirement plans. Jeromey believes that Director Kling's request to remain through June 2024 makes it unnecessary to have a Director's evaluation this year.
  o Motion by Cole Gerstner, second by Ron Dunworth, to continue the discussion at a future board meeting; motion passed unanimously.

● Budget and Staffing Assumptions for 2024 - Ann Kling, Library Director (Information)
  o Director Kling stated the district will have a healthy budget next year if all goes well with Proposition HH on this year's ballot. Proposition HH may not have a huge impact on the Library District. The Library District's budget money comes mainly from oil and gas. As of now, it looks like next year's budget may be just under $8.5 million. Director Kling referenced future spending on the Severance lease, staffing, and/or saving money to be applied for a future build.
  o Director Kling reported on future staffing needs, especially with the Severance library staffing and with additional programming and other services.
  o Director Kling will meet with each board member before the budget is posted on October 15th.

● Change in the November and December Board Meeting Dates - Ann Kling, Library Director (Action)
  o Director Kling reported that the budget doesn't need to be approved until the beginning of January due to the mills not having to be certified until the beginning of January due to Proposition HH being on the ballot.
  o This board meeting will be 1/4/2024.
  o Motion by Cole Gerstner, second by Ron Dunworth, to approve moving the November Regular Board Meeting to November 30th and moving the December
Regular Board Meeting to January 4, 2024, unless there are circumstances that require a meeting; motion passed unanimously.

Budget Message – 2024 Draft Budget

Clearview Library District

October 15, 2023

Dear Clearview Library Board of Trustees and Clearview Library District Taxpayers:

It is my pleasure to submit to you the 2024 draft budget for the Clearview Library District. This budget was prepared by the library director with input from the Clearview Library District administrative team and library trustees.

In 2023, the library district completed the second project recommended in a Plan for the Future, the library district’s facilities plan, which was adopted by the Library Board in 2021. The renovation of the Windsor Severance Library began in January 2023 and was completed in March. The third project, building a branch library in the Town of Severance, began with a ground-breaking ceremony in May, 2023 and is well underway, with an anticipated completion date of February 2024.

With the addition of the branch library in Severance the district will experience increased building operating costs in 2024 along with the staffing costs that are associated with a growing library district.

Revenue

The Clearview Library District is funded by a mill levy assessed against property owners and businesses within the library district boundaries. The preliminary property assessment figure from Weld County for the 2024 budget cycle is $2,376,586,566 which will generate $8,427,376.00 in property tax revenue for the library district. This is a 47% increase in property tax revenue from 2023. Revenue from sources other than property taxes is projected at $669,586. The total anticipated operating revenue for the Clearview Library District for 2024 is $9,096,962.

The large increase in property tax revenue can be attributed to oil and gas. 53% of the district’s tax revenue comes from the oil and gas industry, 28% is derived from residential, 10% from commercial, and 6% from industrial. The remaining 3% is from agricultural, minerals and vacant land. Oil and gas revenue has helped the district accomplish its long-term building goals.

A lease of $5,760,000 obtained in 2022 from Glacier Banks, library district reserve funds, and a Colorado Department of Local Affairs (DOLA) Energy Impact Grant of $500,000 will continue to fund construction costs for the 10,000 sq. ft. branch in the town of Severance.
Highlights of Operating Expenditures

Projected operating expenditures for 2024 are $6,063,662, a 25% increase over 2023 budgeted expenditures. As the district opens a branch in the Town of Severance there will be increased costs for operations including wages, administration, programming, and materials.

Salaries and Benefits, $3,878,337 or 64% of the projected expenditures. The district will be adding staff to operate the library in Severance at 40 hours a week. In addition, the library district is adding a facilities supervisor, a customer service manager, additional IT assistants, programming assistants, outreach assistants, courier drivers, a financial assistant, and a communications assistant.

Materials, $509,500 or 8% of the budget, will be used to purchase additional physical materials and ematerials which continue to grow in popularity.

Lease Payment, $356,606 or 6% of the projected expenditures. This is the annual payment plus interest on the Glacier Banks lease to fund the construction costs of the branch library in Severance. The lease will be paid off in 2041 and may be paid off earlier if funding allows.

IT, $231,157 or 4% of the projected expenditures. The library district will be adding a discovery layer to our catalog which will enhance the patron’s ability to find library materials.

Capital for Existing Facilities $157,500 or 3% of the projected expenditures. Security and energy saving improvements will be made to the district’s existing facilities.

Operating $693,413 or 11% of the projected expenditures. Operating expenses include items such as utilities, insurance, security monitoring, auditing, legal, phone service, copier and other costs associated with running our facilities.

Highlights of Capital Expenditures: Branch Project, Renovation of the Windsor Severance Library, Purchase and Renovation of the Administration Building (Ash St.)

Construction began on the library branch in Severance in May, 2023. The building is currently on schedule to be completed in February of 2024 and open to the public in late March.

The library district purchased the property west of Severance Town Hall from the Town of Severance in January 2022. The library district was also required to purchase 2 water shares. In March of 2022, the district obtained a $5,760,000 lease from the Bank of San Juan’s, Glacier Banks, at a 2.09% rate. A competitive $500,000 grant was received from the Colorado Dept. of Local Affairs (DOLA). The remainder of the budgeted building costs will
come from the library district’s reserve funds. A summary of building project costs can be found below the 2024 Draft Budget.
