

Public Art Submission

In order to enrich patrons' library experience, the Clearview Library District provides space to display paintings, photographs, and other works of art in district facilities. The space is made available on an equitable basis to all local artists. Artwork is selected and curated by district staff or designee(s). Artists may fill out this form for consideration of display. Artwork will be selected based upon the quality, overall community interest, and historical prominents of significance of the artist or arts organization. A library staff member or volunteer designee will respond in a timely manner.
